

# Northern Valley Indian Health

175 W. Court Street Woodland, CA. 95695

Movie Night Sign Up Today!

Documentary directed by brothers John and Kenn Little, who are members of the Standing Rock Sioux tribe, the film traces how the word “r\*dskin” evolved from being a term of racist derision and slander to being embraced as the name of one of the NFL’s most beloved franchises. It also draws on the voices of Native American activists and scholars to place this controversy within the wider context of Native American history and racial stereotyping more generally.

## Wednesday - November 8<sup>th</sup>, 2017
