

COVID-19 TESTING

Northern Valley Indian Health
Your Health. Our Mission.

Free COVID-19 Testing
available to our Native communities, including
Non-Native family members living in Native
households.

For those not established with Northern Valley
Indian Health as patients, you will be asked to
complete a mini registration and will receive
testing at no charge.

Call 530-934-4641 to schedule your appointment.

Let them know that you are calling to
participate in the Native screening and want
COVID-19 testing. Further instructions will be
provided when you schedule.
