

# Northern Valley Indian Health

YOUR HEALTH. OUR MISSION.

March 27, 2023

Dear Valued Patient,

It is with regret that we must inform you that David Nguyen, DDS will be leaving Northern Valley Indian Health, Inc. Dr. Nguyen will continue to see patients through April 21, 2023, and after that date, his patients will be contacted for a future appointment with another member of our dental provider staff.

Please be advised there may be a brief waiting period and if you have not been contacted by our office prior to June 1, 2023, please call our office to inquire about scheduling your next visit. Urgent care dental appointments will remain available and will be provided with a dental provider on staff.

We value you as a Northern Valley Indian Health, Inc. dental patient and wish to continue to provide you with the highest quality of healthcare services possible. We anticipate that the transition of your primary care dental provider will be a positive experience and we welcome your comments and thoughts.

Sincerely,

Dental Department  
Northern Valley Indian Health, Inc.
