

# Northern Valley Indian Health

YOUR HEALTH. OUR MISSION.

Dear Valued Patient,

We would like to take this opportunity to inform you that Michael Manley, Physical Therapist will be leaving Northern Valley Indian Health, Inc. He will continue to see patients through June 28, 2024, and after that date his patients will be referred out for Physical Therapy services. NVIH is in the process of recruitment, and we hope to have a replacement for Physical Therapy in the near future to once again have this service available to our patients.

Your health is important to us, and we value you as a Northern Valley Indian Health, Inc. patient. Our goal is to continue to provide you with the highest quality of healthcare services possible. We are confident that your excellent healthcare will continue and anticipate that the transition of being cared for by a new provider will be a positive experience in the future.

Thank you for choosing Northern Valley Indian Health as your healthcare facility. We welcome any feedback you may have as you transition to receiving care by one of our other providers in the future.

Sincerely,

Medical Department  
Northern Valley Indian Health, Inc.
