Dear Patient,

As you begin your pregnancy care with us it is important to understand at Northern Valley Indian Health, you will be seeing different providers during this journey. We do not assign a primary provider but ensure you see a professional who is qualified for your level of care at each visit.

It is important to become familiar with all our physicians including the ones that are here from Enloe as you may end up seeing them again when delivering.

We do ensure everything that happens at your appointments is captured in your electronic health record, so anyone who cares for you at your future appointments during your pregnancy can access important information about you and your baby's health.

TERMS AND CONDITIONS OF SERVICE

CONSENT FOR TREATMENT AND FINANCIAL AGREEMENT

1. NVIH: Northern Valley Indian Health, Inc. (NVIH) is a non-profit 501(c)(3) tribal organization and Tribal Federally Qualified Health Center (FQHC) system with federal Public Health Service (PHS) deemed status with respect to certain health or health-related claims, including medical malpractice claims, for itself and its covered individuals. 25 U.S.C. 5301 et seq.

2. CONSENT FOR TREATMENT: I wish to receive health care services at NVIH. I consent to the medical treatments or procedures, X-ray examinations, drawing blood for tests, medications, injections, taking of treatment related photographs, videotaping, laboratory procedures, dental services, clinical services, behavioral health services, care and case management services or other services rendered to me under the general and special instructions of the provider or other health care professionals assisting in my care. I am aware that the practice of medicine, surgery, and therapy is not an exact science. I acknowledge that NVIH has not made any guarantees to me as to the results of treatments or examinations. I am also aware that I should ask my provider or other health care professionals any questions that I may have about my diagnosis, treatment, risks or complications, alternative forms of treatment, and/or anticipated results of treatment.

3. TEACHING ACTIVITIES: I understand that residents, interns, medical students, associate behavioral health clinicians, students of ancillary health care professions (e.g., nursing, social work), post-graduate fellows, and other learners and trainees may observe, examine, treat, and participate in my care at NVIH under the supervision of the attending health care professional as part of an approved external education/training program. .

4. CONSENT FOR COMMUNICATIONS: I understand that I may receive messages and calls from or on behalf of NVIH, at the contact information provided, including my cell phone number and email address provided during my registration process. Methods of contact may include using pre-recorded/artificial voice messages and/or use of an automatic dialing device, as applicable. I understand that if I email or text NVIH providers and others involved in my care that I am providing consent for them to respond to me using the same method I used, even if the messages contain confidential information. I understand that texting and email are not secure communication methods as unencrypted messages could be intercepted. I acknowledge that all such communications may become part of my medical records.

5. ASSIGNMENT OF BENEFITS AND FINANCIAL AGREEMENT: In consideration of the health care services provided, I the undersigned, whether signing as a patient or legal guardian, irrevocably (without the right to revoke) and expressly assigns and transfers to NVIH all insurance benefits including government programs, private insurance, and any other health plan otherwise payable to or on my behalf for NVIH services. I hereby authorize the release of all information necessary to secure payment. I understand that I am financially responsible for all charges whether or not paid by said insurance. I also understand that when this agreement is signed by my spouse, parent or a financial guarantor, my spouse, parent or financial guarantor shall be jointly and individually liable with me for payment, including all collection fees (attorneys' fees, costs and collection expenses), in addition to any other amounts due. Unpaid accounts referred to outside agencies for collection

bear interest at the current legal rate.

6. **TELEHEALTH CONSENT:** Telehealth visits involve the use of telehealth technologies, including but not limited to two-way video, digital images, and other telehealth technologies to enable a healthcare provider and a patient at different locations to communicate and share individual patient health information for the purpose of rendering services. I understand that during my care at NVIH, I may be offered a telehealth visit if clinically appropriate. These services may include consultation, diagnosis, treatment recommendation, prescriptions, and/or referral to in-person care if further evaluation is needed. This service is offered to me as a convenience. I understand that I always maintain the option of choosing an in-person appointment if I prefer. If I am experiencing difficulty in accessing in person services due to transportation, Medi-Cal provides coverage to beneficiaries for transportation services to in-person services when other resources have been reasonably exhausted. I understand that not all services will be clinically appropriate to complete via a telehealth visit and the option may be limited as determined by my provider. Should I agree to a telehealth visit, I consent to have my insurance billed for the services and will pay any relevant copays, coinsurances or for services not covered by insurance. I understand that during the telehealth visit, sensitive personal health information may be discussed, and it will be my responsibility to locate myself in a location that ensures privacy. I will also be expected to participate in a location that will not cause danger to myself or those around me (such as while driving). If my provider is concerned about my safety, they may terminate the visit. Telehealth visits are not appropriate for medical emergencies. If I believe I am having an emergency, I will call 911 and/or go to my nearest emergency room.
7. **BEHAVIOR:** NVIH has a zero tolerance for abuse, intimidation, harassment, or violence in our facilities. For the safety and security of our patients, visitors and staff, weapons, knives, alcohol, illegal drugs and other dangerous materials are not allowed in our facilities. NVIH is committed to maintaining a safe workplace that is free from threats and acts that are disrespectful, discriminatory, hostile, or harassing. It is the expectation of NVIH that you and your visitors conduct yourselves in a respectful, non-violent, non-discriminatory, and non-abusive manner. I understand that any violation of NVIH's patient rights and responsibilities with unwelcome words or actions may lead to removal from NVIH premises and immediate termination as a patient of NVIH. I also understand that under California law I and my visitors cannot film, record, or disclose any images or sounds of our/my conversation with a NVIH employee or provider without the written consent of NVIH and all parties to the conversation, and that violation of this law may result in criminal and/or civil liability, and immediate removal/termination as a patient of NVIH.
8. **AUDIO/VIDEO RECORDING CONSENT:** I hereby consent to the use and transcription of audio and video recordings by NVIH and its providers and staff for treatment and service purposes. I understand that NVIH uses recording technology to capture and record my visits and other communications with NVIH and its providers and staff for treatment and services. I understand that NVIH uses third-party vendor(s) to process the recordings to generate clinical documentation and related activities. I expressly consent to NVIH and its third-party vendor(s) to audio or video record my visits, transcribe and document my treatment and services, and permanently destroy the recordings. I understand that any use of my medical information will be in accordance with applicable law, including all applicable laws and regulations governing patient confidentiality, in the manner outlined in the NVIH Notice of Privacy Practices. I understand that I may request cessation

(NVIH Use Only) Patient Name: _____ HRN: _____

of recordings at any time by written request to NVIH. I understand that my withdrawal of consent will not affect recordings made prior to receipt of the written request to stop recording.

9. **RELEASE OF MEDICAL INFORMATION:** I understand that my medical information, photographs, and/or video in any form may be used for other NVIH purposes, such as quality improvement, patient safety and education. NVIH will obtain my written authorization to release information about my medical treatment, except in those circumstances when NVIH is permitted or required by law to release information (see NVIH Notice of Privacy Practices for a description of the specific circumstances under which NVIH may release this information). I understand that any use of my medical information will be in accordance with applicable state and federal law, including all applicable laws and regulations governing patient confidentiality, in the manner outlined in the NVIH Notice of Privacy Practices. I understand that NVIH providers are mandated to report to the appropriate authorities, as required by State and/or Federal laws, when (1) my provider believes I may hurt myself or someone else, (2) my provider suspects child, dependent adult, or elder abuse, (3) or by a specific order of the Courts.

10. **NOTICE OF PRIVACY PRACTICES:** I have received and reviewed a copy of the Notice of Privacy Practices of NVIH which is also available at <https://nvih.org>. I understand that NVIH reserves the right to change its practices and the terms of this Notice of Privacy Practices for all medical information that NVIH maintains. NVIH will make available the revised Notice of Privacy Practices by posting it in all patient registration areas, where copies will also be available. The revised Notice of Privacy Practices will also be posted on our website at <https://nvih.org>.

Clinic Appointment Policy

PURPOSE

In order to maintain quality patient care and timely access to care, the following established guidelines regarding appointments with NVIH healthcare clinics are to be followed:

POLICY

New Patient Appointments:

1. New patients unable to keep their scheduled initial appointment must notify the clinic staff. Notification must be made by no later than one business day in advance of the intended cancellation. Failure to do so is considered a missed (no-show) appointment.
2. New patients who miss their scheduled initial appointment twice will not be rescheduled.*(Exceptions may be authorized by the Lead Provider or Department Director.)

Established Patient Appointments:

1. Patients unable to keep a scheduled appointment must notify the clinic staff no later than one business day in advance of the scheduled appointment of the intended cancellation. Failure to do so is considered a missed (no-showed) appointment.
2. Arriving more than ten minutes late for a scheduled appointment may result in the Clinic Site Manager determining the patient has missed (no-showed) the scheduled appointment.
3. Late arrival for any same day appointment scheduled for 15 minutes or less will not be seen by the provider due to limited length of time and will be considered a no-show.
4. Patients will be considered a high risk no-show patient if patient misses two appointments within a 12-month period and may receive a notification from NVIH with information of future inability to reserve individual scheduled appointments time slots. Notification will inform patient the option of being seen as a stand-by or same-day patient appointment as available.
5. If after three missed appointments in a 6-month period a patient continues to miss appointments, the patient may be dismissed from the associated clinical services altogether as a direct result of being “noncompliant to treatment,” at the Clinic Provider’s discretion. A stand-by or same-day work-in option will be considered for Native American patients. **
6. If patient is allowed to continue after three missed appointments in a 6-month period and continues to miss future appointments, patient will be dismissed from the associated clinical services at the discretion of the Department Director. A stand-by or same-day work-in option will be considered for Native American patients. **

Stand-by: Patient will be scheduled in a time slot that would be considered a double-booked space. Staff will work efficiently to seat/room the patient in a timely fashion. Patient should expect to have some delay in seeing the provider. Visit type will likely be limited in focus depending on available time (e.g.: Dental treatment may be limited to limited exam/minor treatment).
